EXPERIENCE

Hotell St. Olavs / Compass Group 2025 – Present
Hospitality & Facility Operations Specialist Trondheim, Norway

- Managed high-standard facility hygiene and hospitality workflows, ensuring seamless operational readiness and guest satisfaction in a fast-paced environment
- Optimized room turnover schedules and inventory coordination using structured checklists and quality assurance protocols

ISS Facility Services 2025 – 2026
Facility Services Specialist Norway

- Executed rigorous sanitation and environmental health standards across institutional facilities, maintaining compliance with safety protocols
- Collaborated with team leads to streamline daily facility maintenance logs and resource allocation

Deizan Energy 2022 – 2025
Data Operations & Analytics Lead Nigeria

- Designed and maintained robust Excel-based data architectures to track supply chain efficiency, inventory flow, and regional market performance metrics
- Cleaned, structured, and analyzed large operational datasets using advanced pivot tables and analytical formulas to support strategic business decisions
- Streamlined daily reporting workflows, transforming raw transactional logs into clear, executive-ready data insights

PROJECTS

Data Analytics Portfolio

- Built and deployed end-to-end data analytics projects, including SQL data cleaning and Power BI business intelligence dashboards
- Developed an interactive Excel financial model utilizing dynamic named ranges, advanced lookup formulas, and pivot charts to forecast monthly revenue and analyze operational costs
